Subject: You call this Justice !!!

This settlement is pathetic !!!

This just plays into the hands of Microsoft!!! Who the hell thinks this is punishment to a monopoly. All this does is allow Microsoft to "SEED" it's hardware/software further into the schools under the guise of "Gee look at us ! aren't we great donating all this software and hardware that only runs Microsoft software"

What a way to insure you'll stay a Monopoly !! And to think the courts actually proposed this????

Pathetic !!!
